FOREWORD

After a year's labor, the Tiger Staff, in behalf of the class of '42, presents the 1942 Tiger. During the past year we have witnessed the completion of a new addition to our school. This annex is symbolical of the forward progress of E. H. S. in all of its activities. In this annual we have recorded activities of the past year. We also hope that this Tiger upholds the high standard set by previous annuals. Our greatest desire has been to present an annual that not only lives up to former standards, but surpasses others in all respects. As you page through the Tiger, remember that it is a memorial to one of the happiest years of your life.

ADMINISTRATION

Our school is like a pump, constantly pumping education.

Mr. Alexander, as Superintendent, sees that education flows forth in a steady stream; not only here, incidently, but also in the other Public Schools of Edwardsville. And while wondering where he will get money for another school improvement, he usually is brightening our halls with his friendly smile.

Mr. Blodgett pays special attention to the quality of the education that flows forth. If the general policy of the school needs to be altered in any way, he sees that it is altered. He is the teacher's teacher. One must admit that he has perhaps the most difficult job in our school.

Mr. Love is watcher of the boys; and at the same time their friend and counselor. He is our Dean of Boys and the Vice-principal. Every boy knows him personally, for what boy hasn't paid him a visit in his little office? And no one can say that the flow of the stream of education has ever slackened on his account.

Miss Sloan, Dean of Girls, sees that the girls come daily to get their share of education. She is their friend and helper. The girls "beat a path" to her door in her fine new office in the addition; this is her first year in her richly deserved office.

BOARD OF EDUCATION

Behind all progress and activities of our school is a group of people whose work is often too easily slighted. This group is our Board of Education. Through this board we have obtained, along with many other things, the new addition to E. H. S. It is very evident that this organiaztion is composed of people who know the feelings and understand the activities of high school students. We are grateful to the Board for the benefits we received from it and hope they have just as many more successful years as they have had.

This year also marks the retirement of Mr. Bollman, who has served on the Board of Education for twenty-four years. Everyone appreciates the work he has done on the Board and we all pay our respects and give our best wishes to him.

FACULTY

Pictured on these two pages is the group of hardy individuals who during the past year have tried to increase the education and knowledge of every student. Take your hats off to them because they really tackled a job! Even though it is hard to believe, judging by the action of the students, everyone is grateful to them.

Students, just think what a dreary place old E. H. S. would be if it weren't for Mr. Love's never-failing greeting, Miss Sloan's cheery smile, or Mr. Allen's chuckle as he fires a tough Bookkeeping test

at you. All the teachers have been doing things which make them liked by all students.

This year we lost a few teachers by various means. Mr. Lercher is serving in the U. S. Army; Miss Jones and Miss Voss drifted lightly (?) away from us on the wings of marriage and Mr. Dragalin is now teaching at another school. But to offset this a new group of teachers were added to E. H. S.: Mr. Hebberger and Mr. Miner as Math instructors; Miss Cunningham, Spanish; Miss Abenbrink, Home Ec; Miss Matheson, Librarian; Miss Lumb, Science; and Mr. Tracy, Social Studies.

SENIOR CLASS HISTORY

We looked like Freshmen, we talked like Freshmen, we acted like Freshmen—we were Freshmen. But that was way back in 1938. We weren't much then, just something to be shoved around in the halls between bells, and laughed at in study halls after the bells; but we took it and liked it.

It wasn't long, though, before the shoving stopped—we were Sophomores—and were getting pretty big ourselves. We let everyone know it too. There wasn't a football or basketball game we didn't see, we were at all the plays and parties—well, we could dance too. We were noticed a little more by then, but —the "big awakening" came in 1940 when we, as Juniors, presented the never to be forgotten play, "What A Life." We were then a success, and we remained a success through our studying and other activities, and now—

As Seniors we are at the top of the ladder of success (at least in our own eyes, we are) and we hope the memories of the class of 1942 will be as many and as pleasant as our memories of "dear old E. H. S."

CLASS PROPHECY

It's been ten long years since the class of '42 has been together. Because I thought you might be a little curious about what each of them is doing, I'm going to let you read this letter from one of my old classmates.

Dear You:

In my trip around the U. S. I came across many of our old friends. Here is what I found them doing: In Hollywood, Doris Fink has now accepted a contract with Super Duper Films, Inc.; Evelyn Amman and Isabelle Langwisch also work there as extras. Others in the movies are the Stolte twins. They have replaced the Mauch twins. Rose Mae Klausing has gained world wide fame in Hollywood as an iceskater. Not in the movies, but in California, is Don Zajicek who is football coach at U. S. C.

Bill Vieth is a Forest Ranger in a Colorado National Park. After handling all of the '42 Tiger money, Albert Huggins is now a bank president in Yuma, Arizona. Driving through the Arizona desert, I found Bonita Johnson and Lois Dannenberg running a hamburger stand (5c each, or 3 for 10c). Several miles farther is Maurice Gregor running a filling station. In Reno, Nev. Jackie Ladd is managing a hotel for young divorcees. Her cook is Hilda Crocker. Some of her regular customers are Ruth Friedhoff, Dorothy Jahn, Norma Kassing, and Gladys Take.

While walking along the street in Kalispell, Montana, I saw "Ray's Market," run by Ray Wedroskey. Leo Schlemer owns a Dude Ranch in Greybull, Wyoming. Every night he has Larry Strahan sing to his guests. A few of his yearly visitors are Mary Ellen Jacobs, Lucille Stille, Edith Schmidt, and Lloyd Fisher. Several have opened up places of business in New Mexico. Harry Renken has a restaurant famous for its ham and eggs, which Grace Schaefer will serve you. Eugene Wright owns a tire shop. He reports business as not being so good. Wilma Grinstead and Bill Snadjr are the star attractions at "Cooper's Cuddle Cup" run by Mary Cooper and Verda Bigham in Santa Fe, New Mexico. Verna Rohrkaste is the hat-check girl. In Idaho, I met Bill Davis. Since he left E. H. S., he has been touring the country, teaching college cheer-leaders just how it's done, James Moran for one.

Gordon Lawyer is now a prosperous lawyer in Oklahoma. At the present he is handling the divorce case for Faye Schmidt against Quinten Eihausen. Faye accuses him of speaking to another woman, namely Anita Lozier. In Texas, Mathilda Erspamer has just opened a beauty shop. Her slogan is "Use Tillie's Texas Tints and you too can be a blond." They say she has a standing appointment once a week to give Matt Burger a manicure. Lorna and Norma Meyer are the Blues Singers at the "Hot Spot" night club in Kansas, owned by Charles Hogue. Members of the dancing chorus are Ruth Schaberg,

JUNIOR CLASS HISTORY

The year nineteen hundred and thirty-nine will never be forgotten, for in the fall of that year a large group of students entered the portals of E. H. S. As Freshmen we naturally made quite a few blundering mistakes, but Freshmen are like that.

As Sophomores we gave a little aid to the Freshmen. After another year we became important upperclassmen. We're not dignified Seniors, but we're happy hard-working (?) Juniors and we are mighty proud of it!

We think the Junior class does a lot of work for the dear old school. This year we presented a superb play that made the audience fairly roll in the aisles. The name? "The Cat Came Back." The Junior-Senior Banquet was a smash hit and no Senior can deny that. Besides this any number of the Junior class were members of the football, basketball, and track teams Those of us who didn't take part in the sports were right there "rootin'" for the team all through the year. In most of the assemblies given during the year there were always a generous sprinkling of Juniors.

Next year when we are Seniors, we will probably have a lot of fun, but we'll never forget the year we were Juniors.

Sophomore Class History

We entered E. H. S. September 1940. Boy, what a big place it was! For a time it was a hard job to find all our classes and the upperclassmen tried to pull the gag about using the elevator. But, all in all, it was one "swell" year.

Now we are ending our second year of school in E. H. S. This year has been even more enjoyable than the first. We are very proud of our class as we have many outstanding people in it; some gained fame in sports, others were outstanding in their studies, and still others have taken part in a great many of the parties, clubs, and other functions about school. We have always had a class to be proud of and our highest hopes are that we will always be proud of everyone in the class.

The whole class is looking forward to next year when we are Juniors and even more so to two years hence when we will be Seniors and the "big-shots" of E. H. S.

Freshman Class History

Something green was added to the throng of E. H. S. last September. A wonderful thing took place on September 7 when this happy and hard-working class came in. The green horns had arrived. The key to the flag pole was a simple job and the elevator is a wonderful invention. The elevator "boy", Mr. Blodgett, is a fine gentleman after you get to know him. After the passing of six months we were no longer green.

The freshman class has boys playing football and basketball and, ah yes, some of the lovely lassies running around school are Freshmen. We freshmen have great ideas for this school and hope to get to use them by the time we are Seniors, and a fine bunch of Seniors we shall make. We also hold the Seniors of this year in respect and hope we can do as good when we are Seniors.

We don't wish to brag or anything like that, but we do think we have one of the best classes that has hit "dear old E. H. S." Our class is large and hopes to be as good a Senior class as we are Freshmen.

TRACK 1941

The opening of the track season found many prospects galloping around the quarter-mile oval, all with aspirations of becoming a member of the E. H. S. track squad. With quite a few outstanding fellows digging in, the outlook for this season was bright. As we now know the Tigers did enjoy a fairly successful season and Bill Martin, the Tigers ace hurdler, even represented Edwardsville at the State Track Meet.

In the first track meet, which was with Collinsville, E. H. S. came out on the long end of the 72 to 41 point score. The juniors won also by the score of 85 1-2 to 17 1-2. The tables were turned in the sec-

ond meet, when Belleville defeated Edwardsville, 71 1-3 to 41 2-3. The only first place taken this time by E. H. S. was in the hurdles.

One of the biggest meets of the year took place next, the Conference Relays. For the fourth straight year East St. Louis took first place, while the Tigers finished in fourth place.

Next came the Quadrangular Meet, in which Edwardsville, Granite City, Alton, and Wood River, the host, took part. The "Tigermen" of E. H. S. again came out victorious, shading their nearest competitor, Wood River, by a full twenty points. A week later Edwardsville again defeated Wood River, the seniors winning by a score of 61 1-3 to 42 2-3 and the juniors 74 to 30.

The next victim of the powerful Tigers was Alton, who was beaten by a score of 86 to 27. The Edwardsville boys really poured on the steam by taking every possible point in the hurdles and pole vault in this meet. The juniors won, 45 to 23.

FOOTBALL 1941

GILLESPIE 0 — E. H. S. 12

The E. H. S. Tigers started the football season off with a "bang" by trouncing Gillespie 12-0. In this first game Coach was experimenting with players and finding the weak points of the players. The backfield gave a good account of itself in handling the ball and the line easily outplayed Gillespie's.

STAUNTON 0 — E. H. S. 14

The Staunton-Edwardsville game was given plenty advance publicity by the E. H. S. whitewashers who also became "de-whitewashers." The spirit of competition before the game was high and a large crowd was on hand to watch the Tiger gridders walk over Staunton 14 to 0. In this game the Tigers showed exceptional blocking ability and galloped around Staunton's ends for several good gains.

MADISON 7 — E. H. S. 33

Still playing non-conference games E. H. S. ran rough-shod over Madison and ran their winning streak to three games. On the Madison field the Tigers opened up with an aerial attack that had the Trojans running in circles. The E. H. S. defense also showed up brilliantly in this battle by stopping anything Madison shoved at them.

FOOTBALL 1941

EAST ST. LOUIS 19 — E. H. S. 0

Whoosh ! ! the bottom dropped out of everything when the East Side Flyers flew over, under, and through the Tigers. During the first half the Tigers held their own against a fast-running, hard-hitting team, but in the second period they were just too tired to halt the Flyers' attack any longer.

WOOD RIVER 12 — E. H. S. 0

A highly-favored Edwardsville team was upset on their opponent's field when the Oilers slapped a 12-0 reverse in the Tiger's face. The E. H. S. men seemed dead on their feet; continually losing the ball, missing blocks, and being outcharged by the Wood River line.

BELLEVILLE 20 — E. H. S. 0

Playing the Maroons before a large homecoming crowd, the Tigers found it very difficult to stop Belleville's plunging fullback. Although the score doesn't show it, Edwardsville was on the offensive during the last half, playing almost continually in Belleville territory. The main trouble in this game was in keeping Belleville out of the Tiger backfield.

ALTON 0 — E. H. S. 7

Finally the Tigers broke the ice and stole a game from their opponents, the Alton Redbirds. After going through a hard week of practice and also changing their style of play, the Tigers again looked plenty strong on the field. This was a hard-fought game from beginning to end and the outcome was unknown until the final gun.

The last week of August found quite a few fellows out on the football field passing, blocking, and booting the "ol' pigskin" around. For about three weeks Coach Smith had to work the squad pretty hard in order to get them in shape for the first game. With only six lettermen returning, Coach's big problem was to find replacements for the positions vacated by graduation of last year's championship lettermen. The line was fairly well fixed with only two replacements needed, but in the backfield the only returning letterman was Hensley at fullback. The situation wasn't really as hopeless as it looked, for a number of reserves from last year's squad were on hand, plus quite a few boys who moved up from the Tigerettes. Things really looked bright when the team took the first three

games, from Gillespie, Staunton, and Madison, running up a total of fifty-nine points to the opponents' seven. Our bright grin was sort of dulled when we suffered defeats and upsets in the next three games at the hands of East St. Louis, Wood River, and Belleville. Recovering from these losses the Tigers came back and handed Alton and Collinsville a defeat apiece and then tied Granite City in the last game. This group of wins and losses gave the Tigers a .625 percentage. In conference play the team came up with fourth place. Altogether there were twenty-four lettermen, with thirteen of them returning next year. Coach Smith can look forward to another good year next year with an experienced backfield coming back. Good luck in '42.

BASKETBALL 1941-42

After tucking away football suits and rubbing down a few "charlie horses" still hanging on, the Edwardsville Tiger was ready to turn to basketball. With only four lettermen returning from last year's championship team, Coach Smith had to rebuild the squad.

The Tigers took the first game from Highland by a safe margin; then lost to Litchfield and then to Greenville in an overtime game. Starting the conference season against Madison, the Tigers waltzed over the Trojans 28 to 12. In the next two games Edwardsville lost to Collinsville, and then whipped their own Alumni in their annual get-together. Next, playing in another non-conference tilt, the Tigers won a close one from Mt. Olive 28 to 27. The following week again found the Bengals in conference play, beating Belleville and then taking a trimming from the Alton Redbirds. A week later the Edwardsville sharpshooters tangled with the future conference champions, Wood River. The Tigers were unable to keep up with the Oilers and received their worst setback of the season from them.

Regaining the old fight, the team took Granite City, Staunton, and Madison to camp in the next three games. "Rockie" Eihausen was starting to shine now, coming up as high point man quite fre-

quently. In the next game Collinsville slipped by Edwardsville 27-25 and then Alton also slapped one on the Tigers. The Oilers again beat the Edwardsville team, but the Tigers then came back and whipped a strong East Side machine and in the final game of conference play lost to Granite.

The Tigers ended up in fourth place, having a record of seven wins and seven losses in conference games.

Quentin Eihausen, forward.—"Rockie" was Edwardsville's high scorer this year and also among the high scorers of the conference.

Harold Stolte, center.—This was Harold's first year on the squad, but he played like a veteran. Stolte was the boy who came through with points in the pinches.

Jim Marks, forward.—Jimmie was Edwardsville's sophomore sharpshooter. He had the best shot-percentage on the team.

Harold Black, guard.—This was "Blackie's" second year as a letterman and he proved valuable as a ball-handler and defensive player. Even though he was short, he was always in the battle.

Maurice Gregor, guard.—"Tootie" graduated at the half-year and was missed very much. He was a cool-headed player who kept the rest of the team from getting too wild in the game.

Lawrence Schulze, center.—Schulze is a junior and one of the few big boys on this year's team.

Victor Becker, guard.—"Vic" is Black's other half and plays the same kind of game; a good ball-handler and defenseman.

Harold Corrie, guard.—Corrie came from Anna-Jonesboro in his senior year and made the Tiger squad.

Norman Nilsson, forward.—Another sophomore who made the first team. Norm didn't play a whole lot this year but he'll be around in the future.

TOURNAMENT

This year Edwardsville was again host for a regional tournament. The teams participating in this tournament were Lebanon, Madison, Wood River, Granite City, Alton, Western Military Academy, Troy, and Edwardsville. The Tigers won out over Lebanon in a hard-fought game 36 to 30. In the semi-finals they were beaten by Wood River. Wood River then went on to win the Regional Tournament, Sectional, and were defeated in the State quarter-finals by Centralia's state champions.

GIRLS' ATHL

Softball
Basketball

Volley ball
Archery

The purpose of this club is to create a greater interest in athletics and teach better sportsmanship to the girls.

Meetings are held every other Thursday, but for special occasions extra meetings are held. Each meeting is prepared by an appointed committee.

Officers are elected from the Senior girls by the entire membership of the club. Sports heads are also chosen, but they do not have to be Seniors. These girls aid the sponsors of the various sports.

To be eligible to join this club a girl must take physical education and some sport which will credit her with a certain number of points. The more sports in which a girl takes part, the more points she will receive. Physical education also provides additional points. If a certain number of points are made a letter is awarded.

After a sport has been completed, awards are presented to the winning team or a party is given in honor of the team.

ETIC ASSOC.

Besides being sponsor of the G. A. A., Miss Harlan is also in charge of basketball, softball, and volleyball. Miss Stoldt is in charge of archery and Miss Cunningham has charge of bowling.

Near the end of the year a Senior girl is chosen and awarded a trophy for being the "all-around G. A. A. girl." Some of the qualifications are good sportsmanship, loyalty, honesty, leadership, scholastic standing, athletic ability, and personality.

To meet expenses, the G. A. A. sells candy at the football and basketball games.

Some of the other activities are a party for the Senior girls given near the end of the year and the camp which the girls may attend during the summer.

STUDENT COUNCIL

The aim of the Student Council is to discuss the problems of the school and student body. Its membership is made up of students elected from every home room and it is sponsored by Mr. Blodgett.

During the last year the Student Council formed a constitution as one of its projects. This year, for the first time, a delegation was sent to the Student Council District Meeting at Alton. Last September a handbook was published by the Student Council and was favorably received by the student body.

SPEECH CLUB

The Speech Club is made up of a group of enthusiastic students who are interested in drama. This year the Speech Club was divided into a number of groups under the heads of Acting, Directing, Stage Set, Play Selection, General Properties, etc. Each of these groups are led by a student chosen from the Speech Club. Several groups meet during the week and work on their various projects. As an example, the Stage Set committee is building flats to be used on the stage in 201. These groups, have put on several plays.

LATIN CLUB

Societas Latina discipulis scholae Eswardsvilliae salutem plurinum dicit. In other words, greetings from the club.

All Latin students are eligible for membership in the Latin Club. Programs for the meetings usually deal with the different customs, heroes, myths, and literature of the Romans. This is to aid the students in becoming more interested in their Latin classes.

During the year the club had a party and also a Roman banquet, at which time everyone dressed as Romans and were served by "Freshmen Slaves."

SCIENCE CLUB

The Science Club offers opportunity for work in science outside the regular classes, with meetings devoted to demonstrations, lectures, discussions, and project work. During some years the club has been affiliated successfully with Illinois Junior Academy of Science. Field trips are taken when possible for the purpose of studying natural history, soil erosion, etc. This type of club makes it possible for pupils to work individually or in groups along the lines of their own interests, hobbies, and needs.

Through the club's activities, the members increase their knowledge of business problems and are given help in selecting the type of job they desire. During some of the club's meetings, an open discussion is held in order that the students may help each other. In this manner the club serves as a vocational guidance group.

In the meetings discussions are held on the presidents of the United States and other subjects pertaining to stamp collecting. Once every month an auction is held, in order that the members may acquire new stamps from one another. The club also subscribes to a magazine and also buys a stamp catalogue for the use of the members. The club gave an assembly in which an F. B. I. agent spoke and also in the spring the club held a party. Miss Davis, the sponsor, has been a life-long collector of stamps and is very well-fitted to take care of the club.

MODEL CLUB

The Model Club is an organization of boys interested in aviation and other types of model building. They not only build model airplanes, but are interested in aviation of a larger scale, for instance, the designs and construction of our government planes as well as the foreign type planes.

The club expects to visit Parks Air College and other possible places of interest.

The Model Club participated in other activities of the school, such as, a sketch for the assembly and a float which won second prize in the Homecoming Parade.

HY--TRI

Success, the top of the ladder, that is the aim of every Hi-Tri girl. She strived for success by having friendship, loyalty, pleasure, character, and courtesy. Every girl in school is eligible to join the Hi-Tri. She pays no dues and takes no oaths. She belongs to one of the groups: Freshman, Sophomore, Junior, or Senior. If she is elected as an officer, she is a member of the Hi-Tri Council. The purpose of the Hi-Tri Council is to govern the four separate groups, to sponsor the Kid Party, the Barn Dance, and a welcome ceremonial and weiner roast for the Freshman members.

FRENCH CLUB

Since the fall of France in the summer of 1940, the number of students taking French has steadily decreased. With this in mind, the 1941-42 French Club was founded, to keep alive the spirit of France and of the French language. Membership is open to anyone who has taken or is taking French. The meetings are conducted entirely in French, and any member who speaks English is fined. A party was held at Christmas in place of the regular meeting. The purpose of the club is to aid the students in their classes and to further show them the customs and habits of the people who speak French.

NEWSPAPER STAFF

The Tiger Times is a school newspaper published every week by the students in Journalism and Commercial classes. The Journalism students gather and edit the news, make up the paper, staple and sell the papers. The Commercial students cut the stencils and mimeograph the paper.

The purposes of the paper are to keep the students and faculty informed of school events, to be a record of school life, to encourage activities and desirable practices in the school, to build school spirit, and to provide practice for students who publish it.

F. F. A.

The Future Farmers of America is a national organization of boys studying vocational agriculture in the public high schools. At the present time forty-seven states, Puerto Rico and Hawaii have chartered associations. The local chapter serves to create interest in agriculture and to strengthen the confidence of farm boys in themselves and their work.

The club's activities of the year included several field trips. Two of the most interesting ones were a trip to a hybrid seed corn production farm in Central Illinois and the trip through the National Stock Yards.

"Keep the home fires burning." This is the motto of the Home Ec Club. This organization is for all girls who are studying Home Economics. This club was organized the second semester last year. Meetings are held every two weeks during which lectures and social meetings are held. The club was organized to increase the students' knowledge in Home Economics and it also serves as a vocational guidance in selecting the kind of job in this field you would desire.

LIBRARY CLUB

Much credit is due Miss Matheson for the organization of this new club. It was organized in September, 1941 and soon attained a membership of forty-five. The purposes of the club are to build a bigger and better library, make it serve the needs of all students more efficiently, and interest students in good books. Another objective of this club is a thorough knowledge of library organization.

THE TIGER

Lying before you is the best **TIGER** that has ever represented Edwardsvile High School. This statement is sufficient, for we (the intellects on the opposite page) know it's true, and believe you will agree with us. And here is how we created and produced this immortal volume:

Well, last year's staff — burnt-out wrecks — graduate and tell us we have an impossible task before us. They moan and gnash their teeth and dump the whole blamed job in our laps. We look at them with pity and dream about our summer vacation.

June; we enjoy visits and picnics. But Editor **GLEN SCHLUETER** isn't satisfied with just picnicking—he begins to worry, and gets worked up to such an extent that he talks to **MR. ALLEN** (the fellow who holds the bag if we slip). They call in **AL HUGGINS** to worry about the business end of things and go to work. So when school starts in September the working plan, or "dummy", is ready.

A CAPELLA CHOIR

MIXED CHORUS

A CAPELLA CHOIR

The A Capella Choir is an organization of about thirty-six upperclassmen, specially selected for the particular blending qualities and beauty of tone of their voices.

The choir meets once weekly to devote its time to the study of the higher and more difficult types of music.

They practice solely for perfection and unity in their work. Singing unaccompanied, the choir demands the utmost in ability and cooperation.

With their director, Ralph Shannon, the choir makes several appearances annually, including the Christmas assembly, the annual music assembly, and the Baccalaureate Services.

We predict a great future for this fine organization which has already become an important part of E. H. S. life.

MIXED CHORUS

This year the Mixed Chorus again took part in several school assemblies and also in the "music festival" in Collinsville.

In the Mixed Chorus the students are taught the fundamentals of group singing. Also the chorus is one of the few outlets for students interested in music and music appreciation. Another of the activities of the Mixed Chorus was the presentation of an operetta last fall.

The Mixed Chorus is under the direction of Mr. Ralph Shannon, who is teaching music for his third year at E. H. S. Mr. Shannon must be complimented for the rapid strides he has made in all branches of music—choral, band, and the swing band.

SWING BAND

When you hear the soft wail of cornets, the low moan of slide trombones, plus the various rackets of saxaphones, clarinets, drums, bass, and piano together, rendering their version of "Rain," then you know that the Tiger Swing Band is hard at work.

Every Tuesday and Thursday morning, sometime between 8:00 and 9:30, they have their private little "jam session" in 321. This is just to prepare themselves for entertaining the student body of E. H. S. A part of their rehearsals is devoted to making a study of popular music.

BAND

The Band has made a great deal of progress during the past year. They have done several things to bring this about and have done them well.

With flags waving, plumes flying, and feet steppin' high, the E. H. S. Band made its appearances at football games and parades under the twirling baton of Margaret Stewart, our drum majorette; and also the other two majorettes, Ruth Schmidt and Hortense Schmidt. They are all Seniors this year and have done a wonderful job and deserve a lot of credit.

The band formed various letters and symbols for their team and the opponents; sometimes using neon lights on the bass drum, bells, and bass horns, while tiny lights on the caps of the band members were used while the football field was in darkness. One of the best drills was when the band made the three circles and had a square dance. The band usually ended up in front of the Edwardsville grandstand playing "Loyalty." Many times the band was introduced by trumpet fanfare.

The band also played for all the basketball games here with the exception of one game, which was taken care of by the Swing Band.

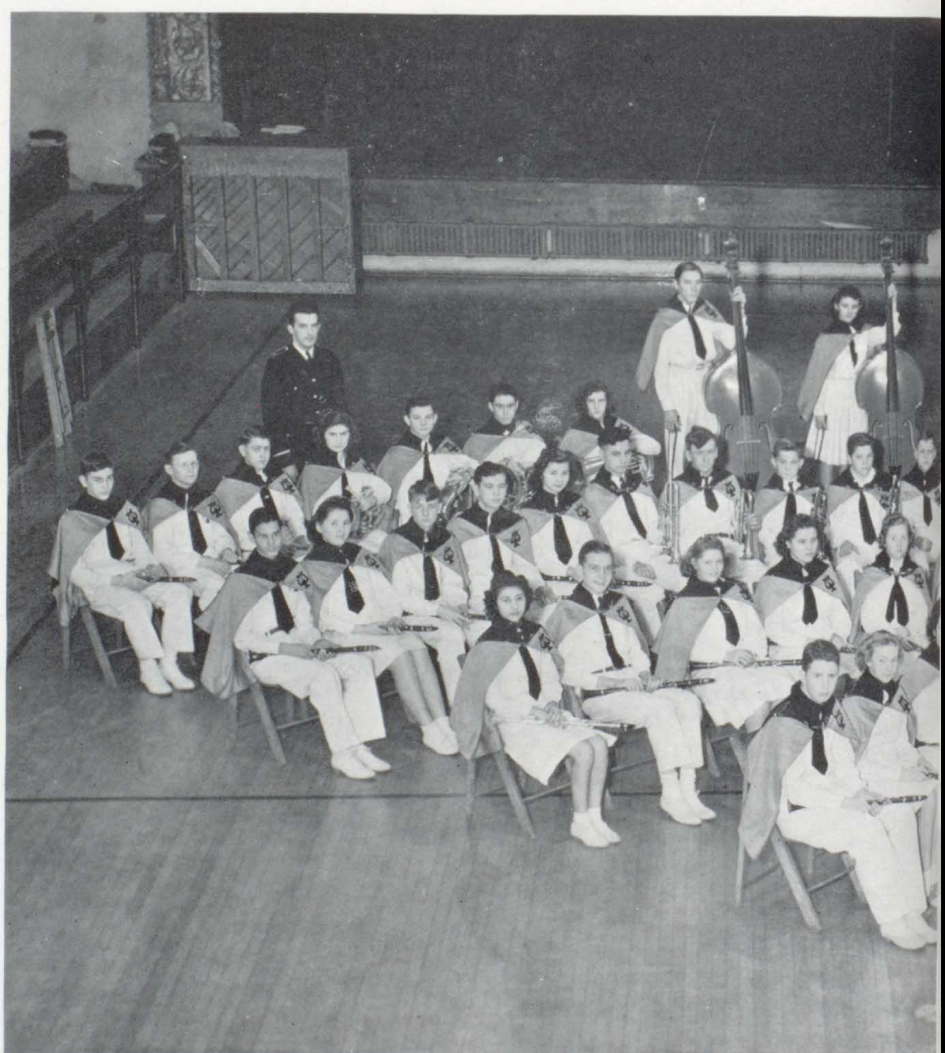
MARGARET STEWART ..... President
ALBERT HUGGINS ..... Vice-president
JIM FLAVIN ..... Secretary-treasurer
RALPH SHANNON ..... Director

The officers of the band are all students who have been in the band for a good while and who are well known and liked. Margaret Stewart, besides playing clarinet in the band was also a drum majorette. Albert Huggins played the oboe, and Jim Flavin ,the clarinet. Under the officers' very capable direction many projects were carried out by the band.



BAND-- CONTINUED FROM PAGE 69

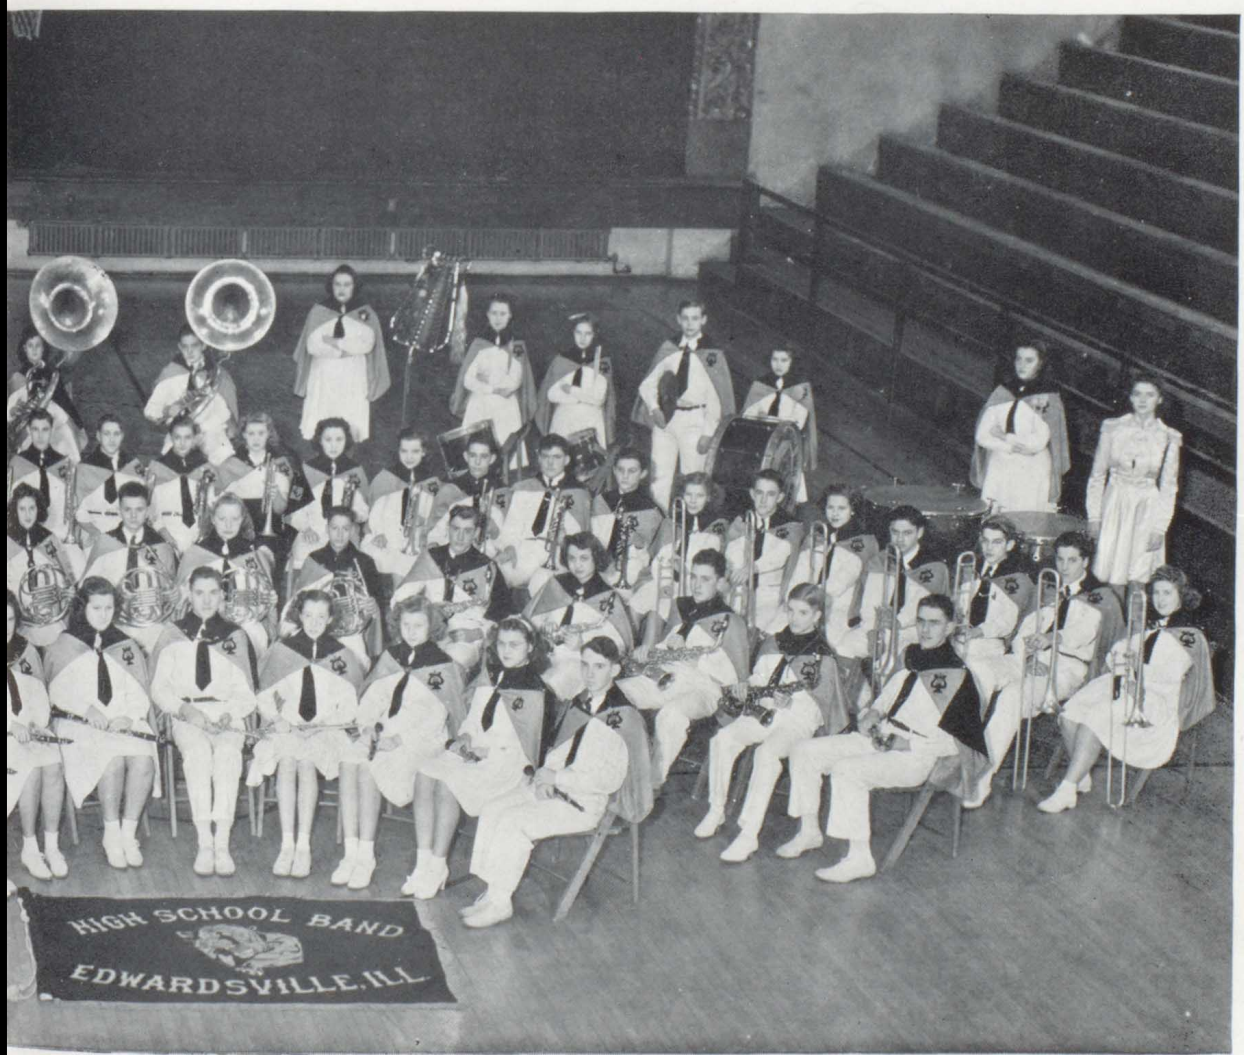
One of the most effective displays was the . . .—, "V" for Victory flashed on the gym floor while the band played the "Star-Spangled Banner" and the spotlight was flashed on the flag.

The band has played many concerts, including the opening and closing of the Talent Revue which was to raise money for the March of Dimes.

As soon as the basketball games were over they began practicing overtures and arrangements to be used for their spring concerts.

This year the band has done something unusual. They needed new uniforms very badly, so they took it upon themselves to raise enough money to buy them. With the aid of Mr. Shannon they began collecting newspapers, sponsoring programs, playing for games, giving concerts, and giving dances. Each member along with the band officers and Mr. Shannon worked very hard and they hope to raise enough money before the year is up for their new uniforms.

Mr. Shannon's great personality has helped many with the knowledge of music. He is always ready and willing to help anyone who needs extra help. Both Mr. and Mrs. Shannon have taken part in many of the musical activities in this vicinity.



Homecoming-Football Prom

At 8 o'clock on the evening of November 15, 1941 the most important social event of the year took place in the colorfully decorated gym of E. H. S. It was the Coronation of the Football Queen, and none other than our lovely Miss Judy Kubicek was crowned "Queen of the 1941 Football Season."

Preceding the queen to the throne were the lettermen and their maids and the retiring queen, Miss Betty Barnett. As our queen approached the throne, she knelt and the crown was placed on her head by the 1940 Queen. This was followed by a short speech by Coach Smith. After the first dance, which was for the Queen, maids, and their escorts, everyone enjoyed dancing to the music of Art Zeiss' orchestra.

HALLOWE'EN PARTY

In a true Hallowe'en setting of corn stalks and bales of hay many spooks, witches, beautiful young ladies and handsome men (?) gathered together in our gym for the annual Hallowe'en party.

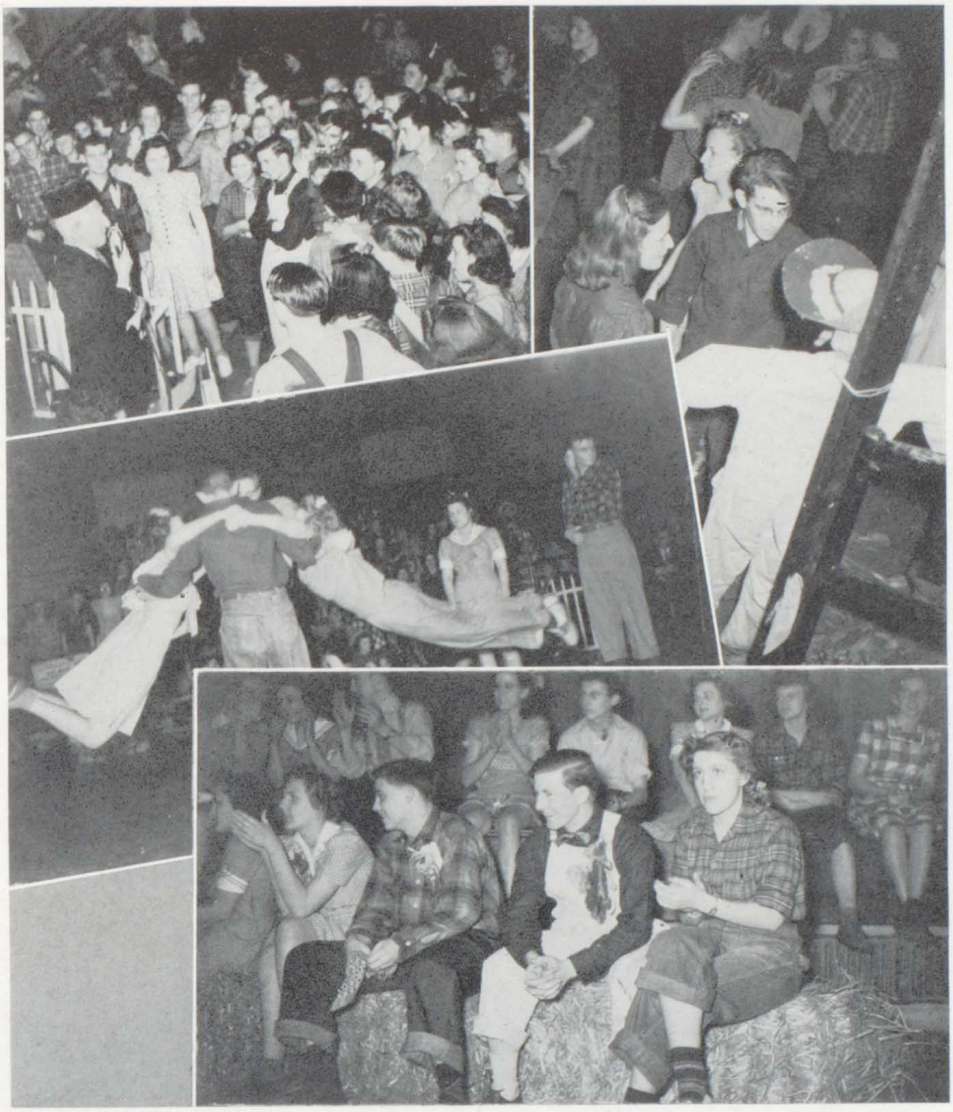
After the grand march and the awarding of prizes we began to recognize one another, including many of our teachers.

A few of those who won prizes were Harold Lankford and Tom Colgate as "Uncle Walter's Doghouse," Miss Cheek as Carmen Miranda, Hortense Schmidt as the most beautiful girl, and Ed Gerling as a clown.

Very shortly we heard music, and it didn't take very long before everyone was dancing, jitterbugging, or whatever you call it, to the music of Joe Ladd and his orchestra.

Then about that time of the evening when we began to feel the pangs of hunger, we were reinforced with food, and after a little more struggling on the dance floor, we were sent on our way, home or otherwise.

But after talking it over among our friends, we concluded that the Hallowe'en party is still looked forward to from year to year.



BARN DANCE

As usual, the Hi-Tri scored another triumph when they gave the Barn Dance. All the girls got out and rounded up all the boys and roped them into going to the old Barn Dance. Confidentially, the boy's didn't have a chance!

They all dressed up in their plaid shirts and overalls and the girls wore everything from jeans to ginghams. Nothing like being comfortable, I always say.

Everyone wondered why they could hardly move the day after the party; couldn't have been that they chinned themselves too much on the chinning bar or swung too much on the rope swing. Or maybe it was the Square Dance.

The decorations were very effective although simple; consisting of a scarecrow here and there, few bales of straw, some corn stalks and corn. We can't leave the corn out.

KID PARTY

Ring-around-the-rosy! London Bridge is falling down! You're it! were many of the cries resounding in the E. H. S. gym at the annual Kid Party, sponsored by the Hi-Tri. We girls let our hair down, donned tiny tot's dresses, wore big hair ribbons and pigtails, and had a wonderful time acting like children.

At the beginning of the evening Pat Thatcher took charge of the program. Dramatic skits, singing, dancing, and readings provided the material for the skits. All the while, the girls were popping bubble gum and eating licorice sticks. It was really fun to step out of our usual high school life and into a children's age once again.

After the program, all the girls got hep to the jive and jitterbugged to the music of Joe Ladd's Orchestra. Doughnuts and milk were served near the end of the evening. One more party success for the Girls of Ye Olde Hi-Tri.

JUNIOR PLAY

"The Cat Came Back" was the title of this year's Junior Play. The plot centers around a cat, Mussolini by name, who causes much commotion in the household of Gardner. Our hero, Gerald Gardner, is determined that both his newly acquired wife and her cat cannot live in his house. Leona Gardner is equally determined even to the point of moving into the new home and leaving her bridegroom to batch it in the garage. Trouble really comes when an old family friend is expected and to keep up appearances, Gerald gets a substitute bride.

Of course, the play ends well although it takes Gerald three acts to bring it to a happy ending.

THE CAST:

Leona Gardner	Faye Frickenstein
Gerald Gardner	Tom Colgate
Fanake	Lawrence Finke
Tim Gallegher	Kenny Scheibal
Mrs. Peters	Betty Stahlhut
Mr. Peters	Chester Harris
Lily	Edna Clark
Doris Kelly	Doris Aksamit
Mr. Jackson	Harold Bartels
Billy	Bill Lee
Mrs. Oberkamp	Betsy Lindbeck
Bridget	Alice Weidner
Mussolini	The Harris Cat

OPERETTA-"The Mocking Bird"

"The Mocking Bird" was Mr. Shannon's choice for this year's Operetta. After long and gruelling try-outs the cast resulted thusly:

Yvette	Carla Caldwell
Manon	Maxine Colbert
Eugene DeLorne	Bill Wolf
Bob Finchley	Bill Straube
Captain Beloit	Bob Baker
Governor Aubrey	Bill Snajdr
Maxime	Charles Rizzoli
Javotte	Vivian Barnes
The Marquise	Mary Alice Pfeiffer
Janette	Norma Meyer
Lanore	Lorna Meyer
The Countess	Virginia Norriss
Pierre	Larry Strahan
Chloe	Alyne Poos
LeFarge	Don Mathis
Don Aurelio	Bill Davis

Carla Caldwell and Maxine Colbert were excellent in the two feminine leads while, Bill Straube and Bill Wolf played the two leading parts well. Charles Rizzoli was well cast as the miserly Maxime.

The cast was well supported by the chorus, especially the chorus of immigrant girls who sang and danced two numbers.

SENIOR PLAY-"Fight For Your Lady"

On the night of April 16, the Senior Class presented their yearly attraction. The play, "Fight For Your Lady," was taken from a movie and had its setting in a New York hotel. The plot was built around the complications of an American opera singer when he broke up with one girl and became attached to another.

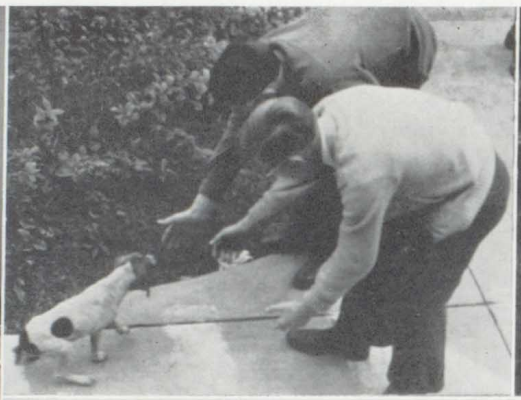
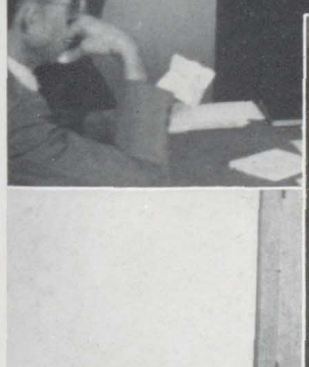
On these two pages of photographs you will see a few of the things that make for happiness every day at **E. H. S.** Look down in the far right corner of the next page; those three gentlemen? They're the janitors, the boys who put the building back together after we tear it apart. And two pictures above, you're not seeing double, it's the Meyer twins. In the upper righthand corner we have the cheerleaders. Now return to this page and look at that smile on Mr. Allen's face—but who wouldn't smile. Pages of snaps like this only show part of the enjoyment we get out of our great high school.





BEAT EAST SIDE

MODERN HISTORY

Dear students, after going through all your textbooks of history, I was unable to find any which covered the subject of Modern History adequately. By modern history, I mean the great era through which you have just passed—the 1941-42 school year. During this space of time any number of important events took place, new lands discovered and new faces found out about or at least new facts about them.

You will recall that during this school year the second World War was going on. How did this affect you? Remember how "Pop" used to warn you not to put too many miles on the car when you went on a date? Remember getting a couple new teachers because of the draft? And remember how patriotic everyone was by buying defense stamps and being willing to park in order to save tires. - - - Our parties were again big successes. Do you think the lettermen will ever forget how they all started out to have a big time in St. Louis after the Prom and ended up in White Castle Hamburger Spots, Parkways, and such? Uh! Uh! And then there was that eventful night when the basketball squad upset the ol' applecart by whipping the Alumni, and then enjoyed a dance on them. JANUARY 13 must be spelled with capital letters, for it was on that night that the Hi-Tri girls took over and gave a party for the boys. What a night! girls dragging boys around—short dresses, woo! woo! and the next day all the fellows complaining about sore muscles, the pantywaists. - - - The scene of the year was Mr. Blodgett pushing Edwardsville's Michael Angelo, Rembrandt, and Raphael (Kolesa, Schrier, and Ramsey) out on the gym floor in a cart during a football assembly. These artists gained quite a lot of publicity for E. H. S. by their Staunton mural and also made themselves a couple of pairs of sore knees. - - - It was during football season that everybody showed up for a big bonfire and got a lot of pep up for the East Side game, but East St. Louis was very unsympathetic and knocked the same out of us. - - - The main discovery of the year, we all agree, was the Rock Road. What a busy place that was in the early part of '42. Credit for discovery must go to Chuck (Columbus) Harbry, but he soon had a lot of company out there. Harold Corrie held the title of traffic cop, Kahtz intended to set up a popcorn stand, and "Rockie" Lankford had intentions of setting up barricades and charging admissions. - - - I've just touched on the high-spots here, but you may get the complete volume by coming to Kubicek's Korn Korporation, 121212 West Broadway, Glen Crossing.

From all the contact they had with high school principals, Gib Bergschneider and Matt Fagan now are co-principals at their own school for problem children in Crab Orchard, Nebraska. Ed Agles and Tom Kolesa are still playing football. I just saw them lose in the Orange Bowl game in New Orleans. Lester Grant and Warren Southard are picking cotton in Alabama.

In Florida, Harold Daech has his own baseball team, which has already won the World Series for the past five years. Some of his well known players are Harold Clawson, Bob Birmingham, Fred Autenrieb, Roland Beck, Buddy Jones, Lloyd Neuhaus, Charles Massa, Hilbert Schumacher, and Clifford Williams. Lester Buhrmester, Harold Corrie, and Vernon Klaustermeier run a Dog and Cat Hospital in South Carolina.

Alma Johnson is a famous flyer in New Jersey. Her instructor was Bob Hentz. He is now teaching Dorothy George and Emily Jaros the art of flying. Quite a few are in New York. Georgia Wynn is drawing illustrations for an advertising agency. Bob Burroughs has his own models, and a photography studio. Some of his models are Margaret Schaefer, Leona Mateyka, and Betty Rohrkaste. Pat Thatcher has become famous on Broadway—"The Modern Katherine Cornell." Her most ardent admirer is still Cecil Burrus and her understudy is Lois Stulken. Ginny Norris is studying voice in New York. Gerald Grosenheider has won several prizes with his cartoons. His latest was one of Glenn Ackerman. Bill Stolze runs a Date Bureau in Massachusetts. He says business is very good. In Maine, who should I see but Edna Veith and Helen Robinette running a girl's camp. Dorothy Ringering is cook, and Eileen Sickbert is chief bottle washer. Robert Theuer, the guide, is the only man on the place.

Margaret Sheldrup has gained world wide fame in playing her violin. She lives in Philadelphia most of the time. Kenny Grebel is her accompanist. Hortense Schmidt now has her own newspaper in Washington, D. C. Her assistant, Jayne Starkey, writes the famous "Twinchell's Column." In West Virginia, Louise Trent has a dog kennell. She has everything from a Mexican Chow Wow to a St. Bernard. Also in Virginia I saw Albert Gehner managing an antique shop. Bill Wolf is now in Ohio, still blowing his trumpet. He has organized an orchestra and they call themselves "The Wolves."

Maxine Greenwood has taken up where her sister left off, and is coaching basketball at a girl's school in Indiana. Some of our fair lassies who have been serving their country as hostesses in army camps are Gerry Kershaw, Mildred Gieseking, Lorene Mateyka, and Verna Schmidt. Lynette Taake and Allien Lautner entertain them with an Abbott and Costello act, and Mary Alice Pfeiffer croons to them. While at the Kentucky Derby, who should I see riding the winner "Jumpin' Jive" but Delmar Schonleber, and on the loser "Slow Poke" was Wallace Schonleber.

Carla Caldwell is singing in the Muny Opera in St. Louis. Also in St. Louis was Pete Weaver, the prizefighter, and his manager, Paul Yenne.

A few of our old classmates have settled down to a peaceful life on Iowa farms, such as Russell Bunn and Leo Gwyne. Nolan Woods is working in a cheese factory in Wisconsin. He lives with Kenny Shashek who is a piano tuner. Forrest English and Charles Schneider are working in a defense plant in Detroit. Also in Michigan is Eunice Neudecker as private secretary for the Hudson Motor Co. But not for long—they say she has her eye on the boss.

Last but not least, we come back to Illinois where many of our class have stayed. Every night you can see Elton Meyer reading over the "Death Column" to see to whom he can sell tombstones. Jean Brockmeier has a farm and is raising chickens. Harris Eilers helps her count them every morning. Eugene Hamel is proprietor of a cafe in Hamel. His waitresses are Annabel Ambuel and Bernice Gaertner. Gloria Going and Alice Lance have recently made their debut in Glen Carbon. It seems that Glen has increased it's population these last ten years. Bob Eads is mayor and Charles Munzert runs the department store. Mary Bayer has replaced her father on the school board. Other board members are Bob Baker, Tom Schreier, Norma Dye, Leon

Some of her heavy campaigners are Ida Bircher, Eleanor Meyer, Betty Settle, LaRita Rosenthal, and Betty Love. I hear that Ruth Schmidt's campaigning is also quite effective. Some men who are strongly opposed to her have formed a "Down With Stewart" club with Simon Henry as president.

TRACK 1941

CONTINUED FROM PAGE 43

In the District Meet the only E. H. S. trackster to take a first place was Bill Martin, who captured the low hurdles title. This made him eligible for the State Meet, where he headed into a bit of tough luck. After getting off to a good start, Bill tangled with a hurdle, took a dirty spill, and rolled himself right out of the race. Everyone at the meet admired Bill for being able to smile after taking this heart-breaking fall.

At the Conference Meet at Belleville, the Tigers again pitted their strength against the other seven members of the Southwestern Illinois Conference. The final score of the meet was: East Side, first with 57 points; Granite City, second with 20 points; and Edwardsville, third with 19 points. The old jinx seemed to still haunt Edwardsville, for this was the second time that they were beaten by Granite City by only one point.

With the '41 season stored away the Tigers are now waiting to see the results of next year's toils. There will be several lettermen back to fill in the positions left vacant by the graduation of several valued stars. Here's hoping for a good year in 1942.

COLLINSVILLE 6 — E. H. S. 7

The Kahok-Tiger game was without a doubt the most interesting game of the year. The Tigers, outweighed by their opponents, fought hard and kept the game going all over the field. The Kahoks, sporting a heavy line, scored first but missed the extra point. After the Tigers pushed the ball across the goal line, Hensley split the uprights to give E. H. S. the winning margin.

GRANITE CITY 7 — E. H. S. 7

This was the Homecoming game and also the last game. The Happy Warriors were the first to score and also made their extra point. Shortly afterward the Tigers repeated this performance and knotted the score 7-7. The rest of the game was fought to a standstill. In the closing seconds of the game, the E. H. S. crowd almost had heart failure when Hensley missed a 40-yard field goal by inches.

THE TIGER

School; and responsibilities are thrust upon the rest of us. **BOB KAHTZ** brings in his last year's track notes and starts writing sports. Mr. Strebler starts taking photographs. **BOB BURROUGHS** is reminded of the hundred or so photos he's supposed to take; snaps pictures like mad. Our propaganda is loosed; **GEORGIA WYNNE** draws posters—tickles the student body with them. **JUDY KUBICEK** and her ad staff write poetry, compose crazy words to songs, and preach **TIGERS** to the students—down to the last Freshman. Sales begin climbing. Parties and the Homecoming cause **KAY KESL** to pull out her fountain pen and write the society copy. By the end of the year **BILL STRAUBE** and staff are making the rounds of Edwardsville business men. Cash pours in.

1942; our job is two-thirds done. **EDITOR GLEN** sees that all the copy is in; writes some himself. **AL HUGGINS** worries about our bank account. **MR. ALLEN** worries. We all worry.

February; in a last minute rush we finish the details and get everything in under the deadline. And here it is. We proudly present the 1942 **TIGER—THE BEST.**

SWING BAND

CONTINUED FROM PAGE 68

Probably every "big name" band has had some kind of a "break" before they became what they are today. Well, the Swing Band has had its "break". It was discovered during the annual music assembly that two members of the band are really Viennese fan dancers. They made quite a hit. So, who knows? Perhaps some day you will see your own Tiger Swing Band along with Glenn Miller, Kay Kayser, Fred Waring, Guy Lombardo, and the rest.

BARN DANCE

CONTINUED FROM PAGE 75

Speaking of corn, the program was definitely on the Corn side. Verda Bigham and Verna Rohrkaste sang a few selections and Carla Caldwel and Pat Thatcher corned a few farm songs, too. Another part of the program was a good-old-fashioned Square Dance.

Joe Ladd and his orchestra furnished music for dancing. Refreshments were served during the course of the evening. Everyone departed at 11:15, having had the time of their lives.

It takes the girls to make a success of things.

..: JOKES :..

Ray Long: What model is your car ?
Bill Vieth: It's not a model--it's a horrible example.

Mr. Driskell: Can anyone give me an example of the indirect tax?
Bob Kahtz: I can, the dog tax.
Mr. D.: Why is that an indirect tax?
Bob K.: Well, the dog doesn't pay it.

Chuck Harbry: Why don't you like girls?
Gib B.: They're too biased.
Chuck H.: Biased?
Gib B.: Yes, bias this and bias that . . . until I'm busted.

Judge: Tell me, young man, just how did this accident occur?
Baker: Well, your Honor, I had dimmed my lights and was hugging the curve---
Judge: That's how most accidents happen. Five dollars.

Bill Hotz: Dad, do you think anyone will ever discover a substitute for gasoline?
Mr. Hotz: They have.
Bill Hotz: Have they? What is it?
Mr. Hotz: Shoe leather.

Carmen Nemnich: I'm looking for something particularly nice for a young man.
Clerk: Have you looked in the mirror?

Miss Woods: Give me a definition of home, Smokey.
Smokey: Home is where part of the family waits until the others are through with the car.

Tom Schrier: Where did you get that D on your sweater?
Bud Ramsey: I played football for Edwardsville.
Tom Schrier: But Edwardsville starts with an E.
Bud Ramsey: I know, but I played on the second team.

Wanda Orman: What became of that man of steel you married?
Martha W.: Oh, he's just scrap iron now.
